

Indication change of Packing label

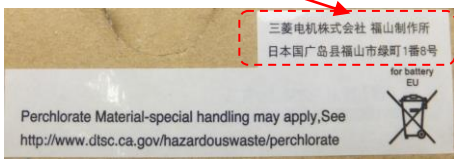

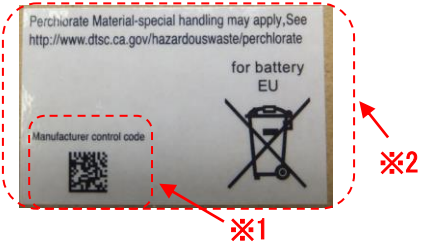

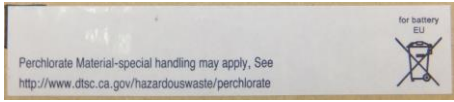

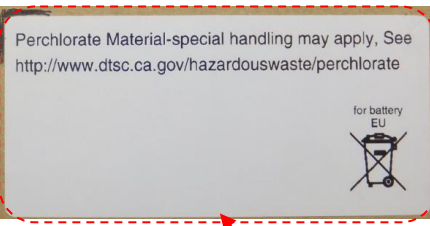

We would like to inform that we will change the Packing label of Optional plug-in module for Electronic Multi-Measuring Instrument.

**1. Types**

Product name	Model name
Optional plug-in module	ME-0000BU-SS96, ME-0000BU25-SS96

**2. Contents of change**

The packing label will be changed for the purpose of enhancing traceability.

Items	Box type	Before change	After change
Packing label	Individual packaging		
	Multiple packaging		

※1 : Manufacturer control code is added.

※2 : The label size is changed.

※3 : The company name and address are deleted. (Printed on the box instead)

**3. Reason for change**

To enhance product traceability and improve the productivity.

**4. Time of Change**

Start from the production in February, 2022.

(Please bear in mind that there may be a time lag due to the stock condition at the time of change)
