[Date of Issue] November 2009

[Relevant Models] MELSEC-A/QnA (large type) series

Thank you for your continued support of Mitsubishi programmable controllers, MELSEC-A/QnA (large type) series.

Mitsubishi have continued manufacturing MELSEC-A/QnA (large type) series products on certain models.

Due to expiration of EN61131-2:2003, the CE declaration for these products will only be effective until July 31, 2010, while the production is continued.

1. EN61131-2: 2003 is valid

Through July 31, 2010

2. Order acceptance for the CE-marked products

Through December 26, 2009

3. How to identify the models without CE declaration

The “**CE**” marking will no longer be applied either on the packaging label or on the rating plate of the product.
