

# **Our Entire Group Pursues Sustainable Growth through Value Creation to Resolve Social Issues**

As the Mitsubishi Electric Group comes closer to celebrating in fiscal 2021 the 100th anniversary of our founding, we are committed to providing solutions that combine products, systems, and services to address diversifying social issues. In this way, we will further promote initiatives to create value, such as simultaneous achievement of “sustainability,” and “safety, security, and comfort” in the four fields of Life, Industry, Infrastructure, and Mobility.

Uniting all the capabilities inside and outside of the Mitsubishi Electric Group, we will continue to deliver new value as we strive for continuous innovation.

***Changes for the Better***
