

Online Showroom

# Anywire Technology Station

Labor and resource savings by  
combining wiring savings and  
diagnostic sensor technology!

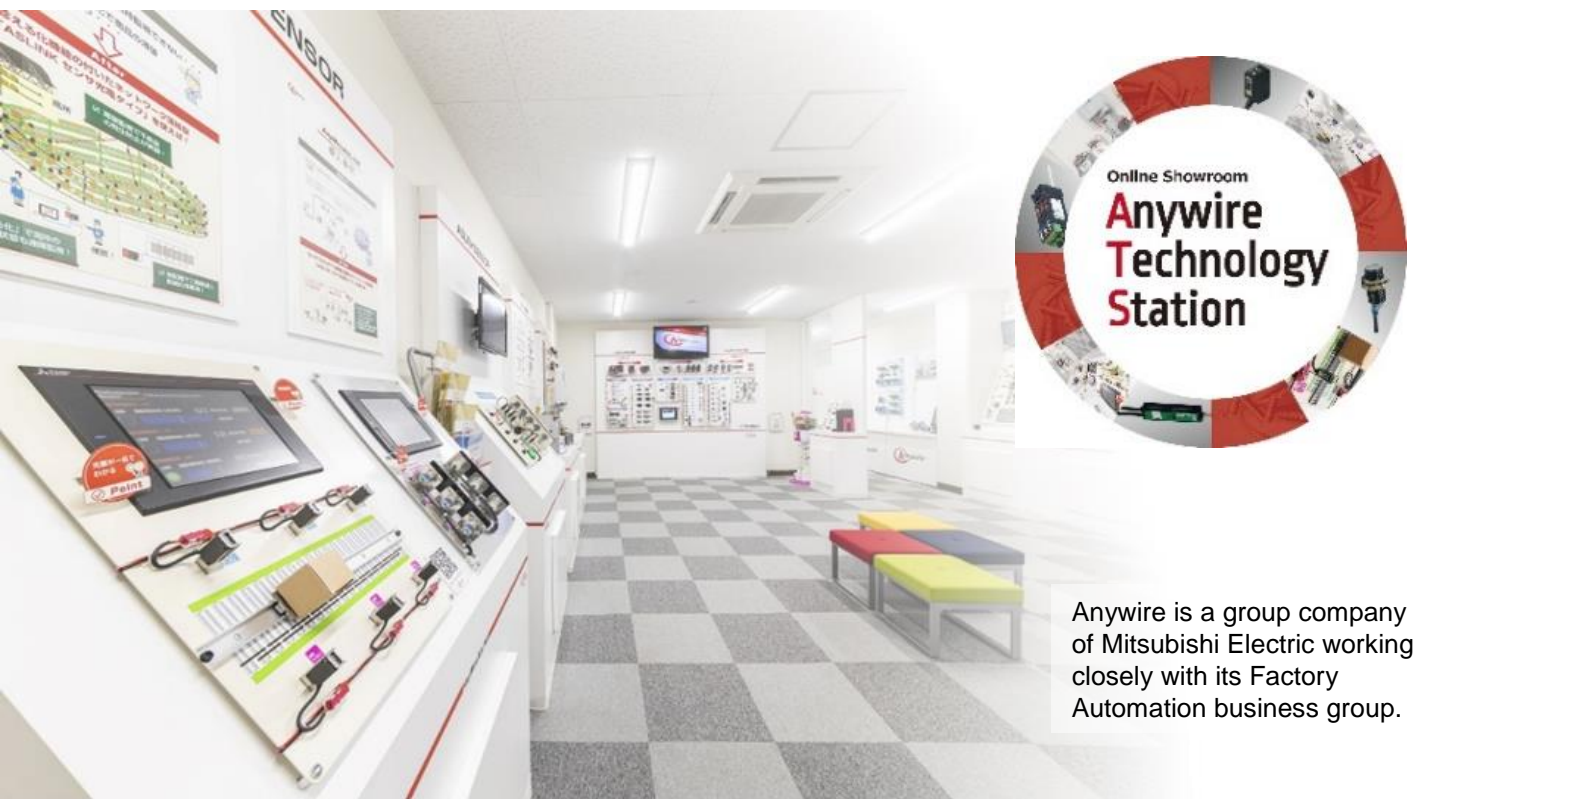

## The Anywire virtual showroom is now online!

**Visit** the online ‘**Anywire Technology Station**’, a virtual showroom that explains Anywire’s network-related solutions and products through easy-to-understand videos such as:

- ✓ The evolution of Saving Wiring - From parallel wiring to direct network connection sensors
- ✓ Sensor Cable Disconnection/ Short Circuit Detection - The first steps to simple Internet of Things (IoT) integration without specialist sensors!
- ✓ Diagnosis of Direct Network Connection Sensor - Preventive maintenance by monitoring sensing levels!
