

**Notice of Certification Standard Change**  
**for Energy Saving Supporting Devices EcoMonitorLight**

We would like to express our sincere gratitude for your continued patronage of the Energy Saving Supporting Devices, EcoMonitorLight.

As of August 2026, we will discontinue UL certification for certain models of the EcoMonitorLight. Accordingly, we would like to inform you that the UL certification mark will be removed from some products.

There will be no changes to the general specifications, performance specifications, functions, or external dimensions compared to the existing models.

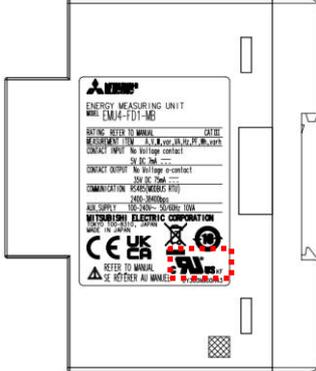

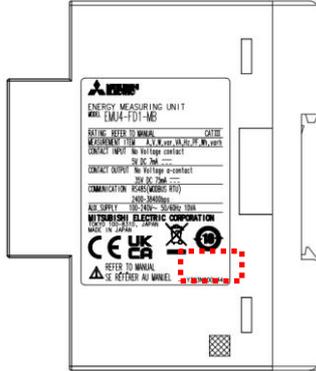

**1. Type**

We will discontinue UL certification for the following models.

Product	Model Name	
Energy Saving Supporting Devices EcoMonitorLight	Energy Measuring Unit	EMU4-FD1-MB
	Optional Unit	EMU4-CM-MT

**2. Changes**

As described below, the UL certification mark will be removed from the rated nameplate.

Item	Before	After
Appearance		
Indication of name plate		

**3. Reason for Change**

Due to changes in UL certification standards and a decline in market demand, we will discontinue UL certification.

**4. Effective Date**

This change will take effect for products manufactured from August 2026 onward.
