

Appearance Change of the Packaging Box for the General-Purpose Inverters and Options

Thank you for your continued patronage of Mitsubishi Electric drive control products.
 For Mitsubishi Electric general-purpose inverters and options, the appearance of the packaging box will be changed.

1. Products Affected

All models of general-purpose inverters and options

2. Details of Change

Recycle marks will be printed on the packaging box of the product.
 The position of the recycle marks differs by the model.
 The outline dimensions and internal structure of the assembled packaging box will not be changed.

Before	After
No recycle marks	 <p>Recycle marks printed</p>

3. Date of Change

The change will be sequentially applied to products manufactured in September 2023 or later.
 * For some models, recycle marks have already been printed.

4. Product Identification

The products can be identified visually.
