

Specification change of Measuring Display Unit Breakers

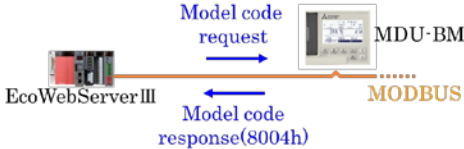

We would like to inform that we will change the specification of Measuring Display Unit Breakers.

1. Types

NF250-SEV with MDU, NF250-HEV with MDU, NF400-SEW with MDU, NF400-HEW with MDU, NF800-SEW with MDU, NF800-HEW with MDU

2. Content of change

To add "MDU-BM" to register address.

Before	After			
Not supported	Register Address	Register Name	Data	Model Name
	763d 02FBh	Model Code	8004h	MDU-BM
				

3. Reason for change

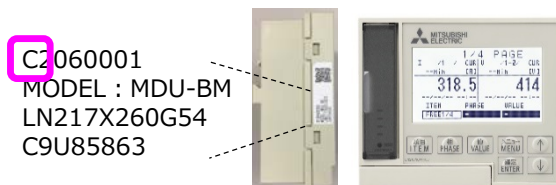

To support "MODBUS terminal connection confirmation" of EcoWebServer III.
No change in other measurement functions.

4. Time of change

From the production in June, 2020.
Please bear in mind that the exact start of production may change due to the stock condition.

5. New / Old product discrimination method

Whether to support "MODBUS terminal connection confirmation" of EcoWebServer III can be confirmed on the label on the side of the product.
