

Production discontinuation of circuit protector

We would like to inform that we will discontinue circuit protector CP-S.

1. Types

Circuit protector: CP-S

2. Reason for discontinuation

Since its launch in 1980, we have been producing CP-S for 40 years. However, we have decided to discontinue CP-S due to deterioration of production equipment and decreasing demand in total. Alternate model is listed in the table below.

3. Alternate model

	Discontinuation	Alternate model
Circuit protector	CP-S	CP30-BA

4. Discontinuation and order schedule

Order stop: 31st December 2021

Discontinuation: 31st March 2022
