

Production discontinuation of NV-ZP

We would like to inform that we will discontinue plug-in type earth leakage relay of NV-ZP series.

1. Types

Plug-in type earth leakage relay: NV-ZP

2. Reason for discontinuation

Since its launch in 1981, we have been producing NV-ZP for 40 years. However, we have decided to discontinue NV-ZP due to deterioration of production equipment and decreasing demand in total. Alternate model is listed in the table below.

3. Alternate model

Discontinuation	Alternate model
NV-ZP	NV-ZBA, NV-ZSA

4. Discontinuation and order schedule

Order stop: 31st December 2021

Discontinuation: 31st March 2022
