

**Specification change of 489Listed No-fuse Circuit Breakers
and UL 489Listed Earth Leakage Circuit Breakers**

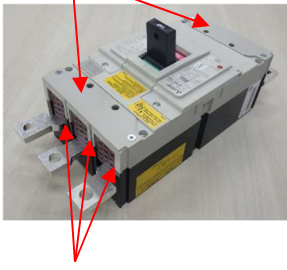

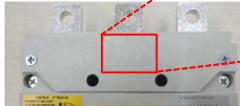

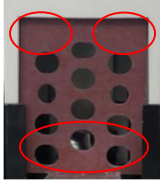

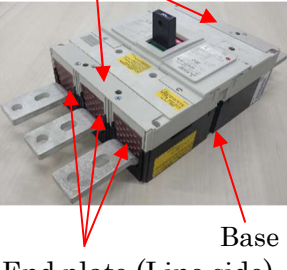

We would like to inform you that we will change the specifications of 489Listed No-fuse Circuit Breakers and UL 489Listed Earth Leakage Circuit Breakers as follows.

1. Types

Types	Model
UL 489 Listed No-fuse Circuit Breakers	NF400-SWU, NF400-HWU NF630-SWU, NF630-HWU
UL 489Listed Earth Leakage Circuit Breaker	NV400-SWU, NV400-HWU

2. Content of the change

The Insulating plate, End plate, and Base will be changed as follows.

Types	Appearance	Before	After
NF400-SWU NF400-HWU NV400-SWU NV400-HWU	Sample)NF400-SWU Insulating plate  End plate (Line side)	Insulating plate  End plate 	The surface texture will be changed  The number and size of the holes will change. 
NF630-SWU NF630-HWU	Sample)NF630-SWU Insulating plate  End plate (Line side) Base	Insulating plate  End plate/Base 	The surface texture will be changed  The size of the hole and the shape of the base will change. 

*The specification change does not affect installation or wiring workability.

3. Reason for the change

To improve productivity by standardizing materials and improve the margin of breaking performance.

4. Time of change

From production in November 2025.

Please bear in mind that the exact start of production may change due to the stock condition.
