Change in Appearance of MR-JET AC Servo Amplifiers

Thank you for your continued patronage of the Mitsubishi Electric AC servo system. The appearance of the MR-JET AC servo amplifiers will be changed as follows. This change does not affect the functions, performance, dimensions, and mounting dimensions of the servo amplifiers.

1. Target Model

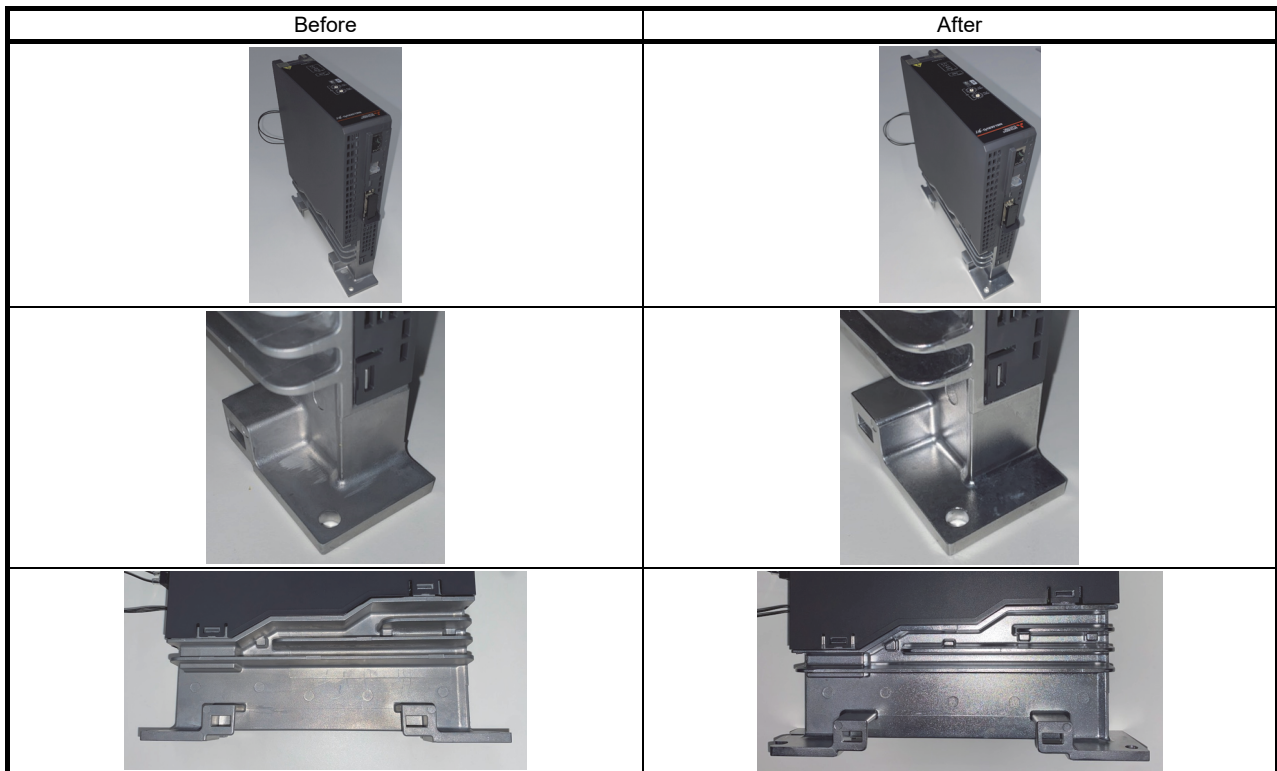

MR-JET-G, MR-JET-G-N1

2. Reason for the Change

To improve the obtainability of the parts

3. Details of the Change

Parts used for the heat sink will be changed. (Glossy die-cast aluminum will be used.)

4. Schedule

This change will be made sequentially from the April 2021 production.

Note that, depending on the stock status, both the former and new products may be distributed in the market around the same time.
