

## Sales and Service

### Change in Appearance of Encoder Housings of AC Servo Motors

Thank you for your continued patronage of the Mitsubishi Electric AC servo system. The appearance of encoder housings will be changed to improve obtainability.

**1. Target Model**

Rotary servo motor: HG-SR series, HG-SN series, HG-JR series, HG-RR series, HG-UR series, and HG-SNS series

**2. Reason for the Change**

To improve obtainability

**3. Details of the Change**

The appearance of encoder housings will be changed. This change does not affect the functions and performance of the products.

**4. Schedule**

This change will be made sequentially from the April 2024 production. There may be cases where both the former and new products exist in the distribution stage.
