Change in Packaging Labels for HK-JT Series AC Servo Motors

Thank you for your continued patronage of the Mitsubishi Electric AC servo system.
The appearance of the packaging labels for AC servo motors will be changed.

1. Target Model

HK-JT series

* Some models of the HK-JT series have featured the revised packaging labels since their initial release.

2. Reason for the Change

To standardize the packaging labels

3. Details of the Change

As part of our efforts to streamline management processes and improve productivity, packaging labels will be standardized. (Refer to the figure below.)

This change does not affect the functions and performance of the products.

	Before	After
Appearance		

* Packaging labels in the figure above are examples. The indication varies with the models.

4. Schedule

This change will be made sequentially from the shipment of May 2026.

There may be cases where both the former and new products exist in the distribution stage.
