Addition of New Supplier of Oil Seals for Ultra-Large Capacity Servo Motors

Thank you for your continued patronage of the Mitsubishi Electric AC servo system.
For ultra-large capacity servo motors, new oil seals from a different supplier will be used in addition to the current oil seals. We ask for your understanding in this matter.

1. Target Model

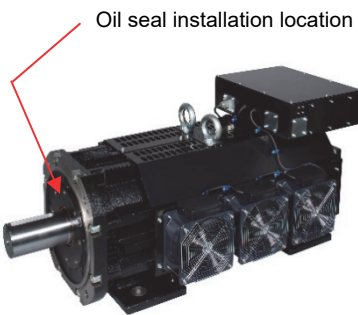

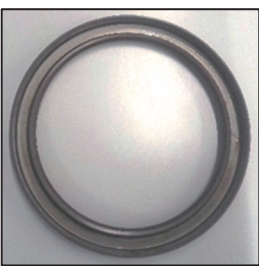

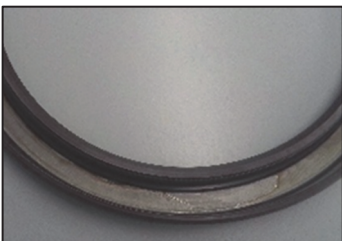

HG-JR series (220 kW)

2. Reason for the Change

To improve the obtainability of the parts

3. Details of the Change

Due to the addition of a new oil seal supplier, the same servo motor may vary in appearance.
This change does not affect the functions and performance of the products.

Series	Oil seal installation location	Current product	New product
HG-JR 220 kW			
			

4. Schedule

This change will be made sequentially from the October 2026 production.
Depending on the stock status, the schedule may be advanced or delayed. There may be cases where both the former and new products exist in the distribution stage.
