Mitsubishi Electric AC Servo System Sales and Service

No.26-38E

Change Made to Servo Amplifiers and Options in Compliance with European Machinery Regulation

Thank you for your continued patronage of the Mitsubishi Electric AC servo system.
The Machinery Directive ((EU) 2006/42/EC) will be repealed, and the Machinery Regulation ((EU) 2023/1230) will be enforced on January 20, 2027. We would like to inform you of the change made to servo amplifiers and options in compliance with European Machinery Regulation.

1. Target Model

・MR-J5 series, MR-JET-G-HS
・MR-J4 series, MR-D30, MR-J3-D05

2. Reason for the Change

To comply with the European Machinery Regulation ((EU) 2023/1230)

3. Details of the Change

3.1 Common

The following content will be added to the enclosed instruction manual "Safety Instructions and Precautions for AC Servos" to comply with the Machinery Regulation.
・URL to the EU Declaration of Conformity (DoC)
・Manufacturer's digital contact information (URL to MITSUBISHI ELECTRIC FA Global Website)

3.2 MR-D30

A log function has been added to meet the relevant requirements of the European Machinery Regulation. (Production in or after January 2027 (Ver. A4 or later))
The following content will be added to the enclosed instruction manual.
・How to confirm the software version
・Product security

3.3 MR-J5W-G, MR-J5D, MR-J5-G-RJ, MR-J5-G-HS, MR-JET-G-HS

A function to confirm the latest change history for safety parameters and firmware has been added to meet the relevant requirements of the European Machinery Regulation. (Production in or after January 2027 (Ver. G0 or later))
The following content will be added to the enclosed instruction manual.
・How to confirm the software version
・Product security

4. Schedule

This change will be made sequentially from the January 2027 production.

5. Precautions

The models listed under "1. Target Model" that were shipped by Mitsubishi Electric prior to compliance with the Machinery Regulation, will not be permitted to be placed on the market in the European Union and the United Kingdom on or after January 20, 2027. Please use the compliant products (Date of manufacture: in or after January 2027) when products need to be placed on the market in the European Union and the United Kingdom on or after January 20, 2027. However, these restrictions may not apply in cases where the purpose is repair, maintenance, etc. For the final eligibility of importing the product into the European Union and the United Kingdom, we kindly ask you to confirm and make your own judgment.

* If you have any questions, please contact your local sales office.
