[Title] Corporate Logo Change for Unification

[Date of Issue] February 2016

[Relevant Models] GOT1000 series, MELSOFT series

Thank you for your continued support of Mitsubishi Graphic Operation Terminal (GOT). We have changed the corporate logo and the company name indication on the products and packing boxes. These changes do not affect the general specifications, performance specifications, functions, and external dimensions of the products.

1. Reasons for Change

To unify the corporate logo of the Mitsubishi Electric group in Japan and overseas

2. Details of Change

The corporate logo and the company name indication on the products and packing boxes are changed as shown below.

Item	Before	After
Corporate logo		
Company name		MITSUBISHI ELECTRIC CORPORATION

3. Target Product

The target products are as follows.

- GOT1000 series
- MELSOFT series

* The GOT2000 series uses the corporate logo and the company name after change since the initial product release. There is no change of indication for the GOT2000 series.

4. Schedule

These changes are made sequentially from the February 2016 production. (The changes have already been applied to some target products.)

There may be cases where both the former and new products exist in the distribution stage.
