[Issue No.] GOT-A-0122

[Title] Affixing the CE Mark to GOT2000/GOT1000 Series Models Compliant with the EU RoHS Recast Directive 2011/65/EU

[Date of Issue] July 2017

[Relevant Models] GOT2000 Series, GOT1000 Series

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT). From July 22, 2017, the GOT will be subject to the EU RoHS Recast Directive 2011/65/EU (RoHS 2). The target GOT2000/GOT1000 series models will bear the CE mark accordingly.

This change does not affect the general specifications, performance specifications, functions, and external dimensions of the products.

1. Reasons for change

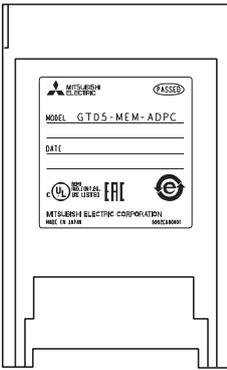

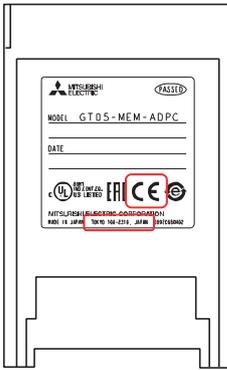

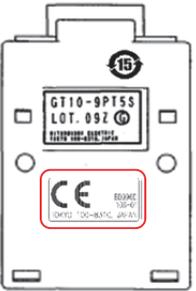

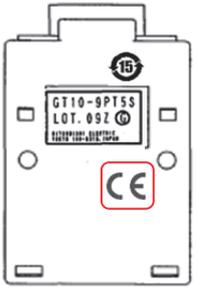

From July 22, 2017, the GOT will fall under Category 9 (Industrial monitoring and control instruments) of RoHS 2.

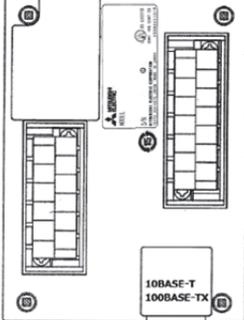

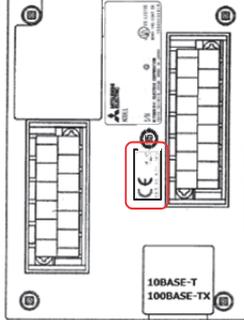

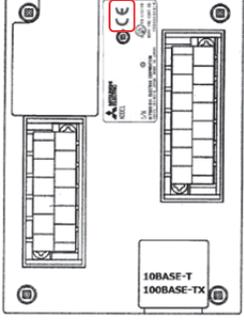

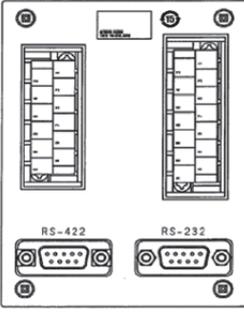

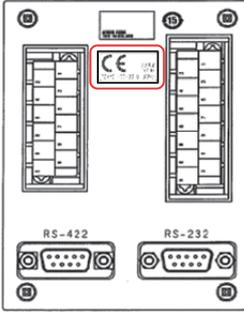

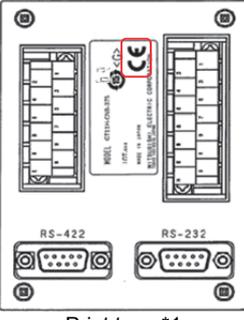

The models compliant with RoHS 2 will bear the CE mark as mandated by the directive.

2. Target models and the details of change

The following models will bear the CE mark and manufacturer's address.

For the models already bearing the CE mark, no change will be made.

Target model	Before change	After change
Memory card adaptor GT05-MEM-ADPC		 Print type
Connection conversion adaptor GT10-9PT5S		<div style="display: inline-block; width: 48%; text-align: center;">  Label type *1 </div> <div style="display: inline-block; width: 48%; text-align: center;">  Print type *1 </div>

Target model		Before change	After change	
Connector Conversion Box	GT16H-CNB-37S		 <p style="text-align: center;">Label type *1</p>	 <p style="text-align: center;">Print type *1</p>
	GT11H-CNB-37S		 <p style="text-align: center;">Label type *1</p>	 <p style="text-align: center;">Print type *1</p>

*1 There may be cases where both the products with print-type indications and the products with label-type indications exist in the distribution stage.
 Except for the indication type, there is no difference between these products.

3. Schedule

The change will be made sequentially from the July 2017 production.
 There may be cases where both the former and new products exist in the distribution stage.
