[Title] Change to the Country of Origin Statement for the GOT2000 Series Wireless LAN Communication Unit

[Date of Issue] July 2019

[Relevant Models] GOT2000 Series Wireless LAN Communication Unit (GT25-WLAN)

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT). We will change the country of origin statement for the GOT2000 series wireless LAN communication unit. The change does not affect the general specifications, performance specifications, functions, and external dimensions of the product.

1. Details of the change

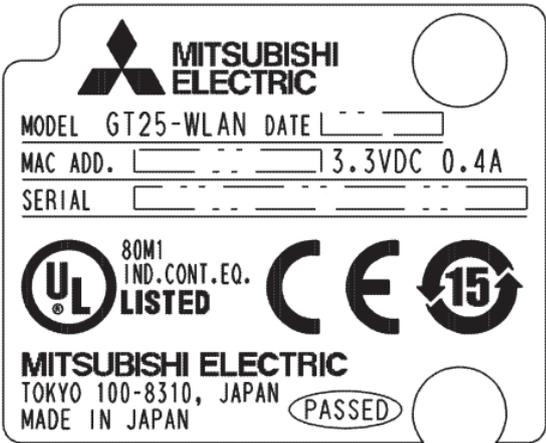

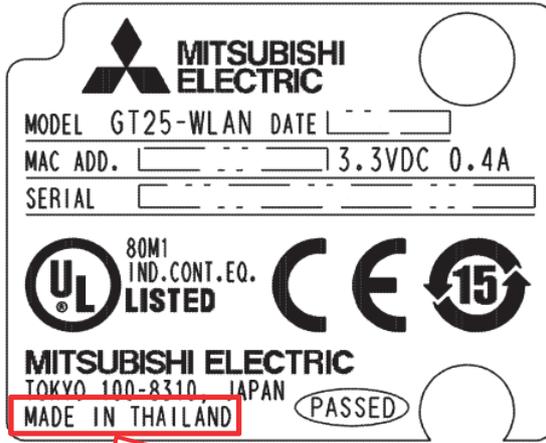

As the production of the product's main parts has been relocated, the country of origin statement on the rating plate and packaging will be changed.

The following shows the details of the change.

1.1 Rating plate

The country of origin statement on the rating plate will be changed.

The following shows the details.

Before	After
 <p>The rating plate shows the Mitsubishi Electric logo, model GT25-WLAN, date, MAC address, and serial number. It includes UL 80M1 IND. CONT. EQ. LISTED, CE, and RoHS 15 logos. The text at the bottom reads: MITSUBISHI ELECTRIC, TOKYO 100-8310, JAPAN, MADE IN JAPAN, and a PASSED mark.</p>	 <p>The rating plate is identical to the 'Before' version, but the text 'MADE IN THAILAND' is highlighted with a red box. A red callout box points to this text with the text: 'The country of origin statement will be changed to MADE IN THAILAND.'</p>

1.2 Packaging

The country of origin statement on the packaging for the product will be changed.
The following shows the details.

Before	After
	 <p>A label "原産地 泰国 合格证" will be affixed.</p> <p>A label "MADE IN THAILAND" will be affixed.</p>

2. Schedule

The change will be made sequentially from the July 2019 production.
There may be cases where products both in the former packaging and in the new packaging exist in the distribution stage.
