[Title] Changes to the Rating Plate

[Date of Issue] April 2019

[Relevant Models] GOT2000 Series (GT2107-WTBD and GT2107-WTSD)

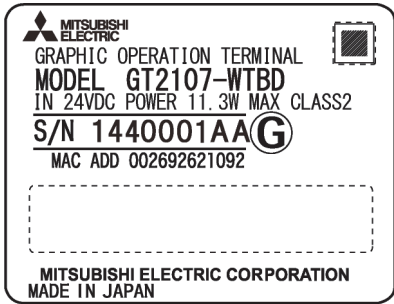

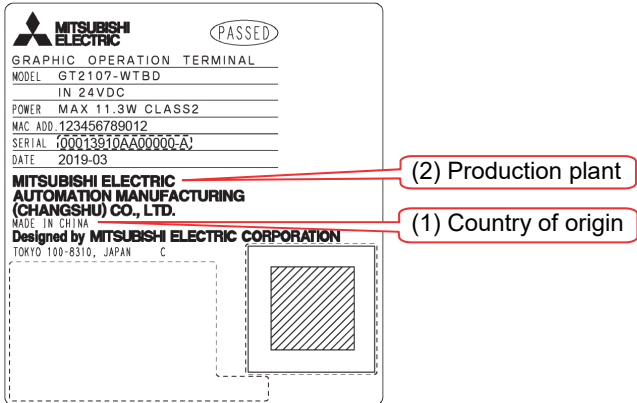

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT).

We have made changes to the rating plate on the GOT.

The changes do not affect the general specifications, performance specifications, functions, and external dimensions of the GOT.

1. Changes

- (1) The country of origin has changed from Japan to China.
- (2) The production plant has changed.
- (3) Labeling has changed to silk-screen printing on the GOT.

Before	After
	
Labeling	Silk-screen printing

2. Models affected

- GT2107-WTBD
- GT2107-WTSD

3. Schedule

The changes have been made sequentially from the April 2019 production.

There may be cases where both the products with the former rating plate and the products with the new rating plate exist in the distribution stage.
