Change in Appearance of the LED Opening on GOT2000 Series Protective Cover for Oil

■Date of Issue

April 2025

■Relevant Models

GOT2000 Series

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT).

The appearance of the LED opening on the front of the protective cover for oil for some GOT2000 series models has been changed.

This change does not affect the general specifications, product specifications, functions, and external dimensions of the products.
