

Notice and Precautions on Changes to Software Products Included in MELSOFT GT Works3 Version1 for Markets Outside Japan

■Date of Issue

July 2026

■Relevant Models

MELSOFT GT Works3 Version1

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT).
HMI/GOT Screen Design Software MELSOFT GT Works3 Version1 is now compatible with the GOT3000 series. Accordingly, the software products included in the GT Works3 package have been changed from version 1.400S.
As a result, some software products are no longer included in the package.
