[Title] Notification of changes in GX Works2 package

[Date of Issue] September 2011

[Relevant Models] Mitsubishi Integrated FA Software MELSOFT series
GX Works2

Thank you for your continued support of Mitsubishi Integrated FA Software MELSOFT series.

This document is a notification of changes in the GX Works2 package.

1. Description of changes

Product	Model name	Package	
		Previous	Current*
MELSOFT GX Works2	SW1DNC-GXW2-E	(1) Number of CD-ROMs 1 (2) CD-ROM case DVD tall case	(1) Number of CD-ROMs 2 (2) CD-ROM case Paper sleeve

* Version 1.64S or later

2. Reasons for changes

(1) Number of CD-ROMs

Since the functionality of GX Works2 has been expanded, the current package contains a second CD-ROM.

2.5GB or more of free space on the hard disk is required for a new installation of GX Works2.

(2) CD-ROM case

Complying with the environmental management standard (ISO 14001), a plastic case is changed to a paper sleeve to save natural resources.

3. Timing of changes

These changes are applied to products manufactured in and after September 2011.

Note that the previous versions of product may be handled at the same time with the current version of product according to the stock availability of the previous versions of product.
