

Change of the Term Used in Software and Manuals Related to CC-Link IE TSN

■Date of Issue

May 2022

■Relevant Models

MELSEC iQ-R series and MELSEC iQ-F series

Thank you for your continued support of Mitsubishi Electric programmable controllers, MELSEC iQ-R series and MELSEC iQ-F series.

We are informing you of change of the term used in software and manuals related to CC-Link IE TSN.

1 REASON FOR THE CHANGE

To unify the terms used in software and manuals related to CC-Link IE TSN.

2 DETAILS ON THE CHANGE

The following term will be changed for software and manuals related to CC-Link IE TSN.

Before change	After change
Authentication Class	CC-Link IE TSN Class

3 CHANGEOVER PERIOD

The change has been applied to the relevant software and manuals after April 2022.

Depending on the support situation, the term before change may be used in software or manuals related to CC-Link IE TSN.

In this case, please replace "Authentication Class" with "CC-Link IE TSN Class".
