

## Addition of the Place of Origin for the MELSEC iQ-R Series Extension Cables

■Date of Issue

November 2023

■Relevant Models

RC06B, RC12B, RC30B, RC50B, RC100B

Thank you for your continued support of Mitsubishi Electric programmable controllers, MELSEC iQ-R series. This technical bulletin informs you that China will be added as a place of origin for the MELSEC iQ-R series extension cables. Consequently, these cables will be made in Japan or China. There is no impact on the general specifications, performance specifications, functions, and external dimensions of products due to the change.

### 1 RELEVANT MODELS

Product	Model
MELSEC iQ-R series extension cable	RC06B
	RC12B
	RC30B
	RC50B
	RC100B

## 2 DETAILS ON THE CHANGE

Information displayed on the product and packaging box will be changed as follows.

### 2.1 Change in the Rating Plate

Model	When the place of origin is Japan (existing product)	When the place of origin is China
RC06B, RC12B, RC30B, RC50B		
RC100B		

### 2.2 Change in the Packaging Box

Model	When the place of origin is Japan (existing product)	When the place of origin is China
RC06B, RC12B, RC30B, RC50B, RC100B		

## 3 REASON FOR THE CHANGE

To improve the production capacity

## 4 SCHEDULE

The change will be applied to the products manufactured in December 2023 and after.

Due to parallel production, both products made in Japan and those made in China may be distributed in the market.
