

TECHNICAL BULLETIN

[1/1]

[Issue No.] HIME-T-P-0188A

[Title] Production discontinuation of the real time clock cassette and board

[Date of Issue] October 2017

[Relevant Models] FX-RTC, FX₂NC-RTC

Thank you for your continued support of programmable controller MELSEC-F series.

We would like to announce that the production of the real time clock cassette and board will be ending for the following reason.

1. Models for which production will be discontinued

FX-RTC, FX₂NC-RTC

2. Time of transition to build-to-order system, time of production discontinuation

- Transition to build-to-order system: January 1, 2018
- Order acceptance deadline: February 28, 2018
- Production discontinuation: March 31, 2018

We will stop accepting orders at the end of February 2018, and discontinue production when the production for accepted orders is finished.

3. Reason for production discontinuation

The production of the main units using this product has already stopped, and the demand for the products is not expected in the future.

4. Repair acceptance period

All the products listed here will not be accepted for repair.
