

## Report of appearance change of RH-10CRH and RH-20CRH

**■ Date of issue**

January 2026

**■ Applicable models**

MELFA CR series

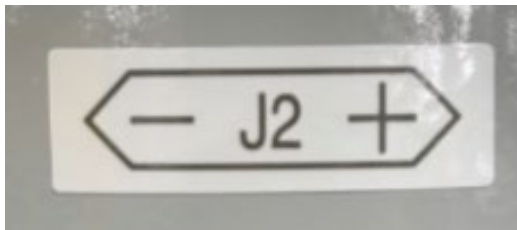

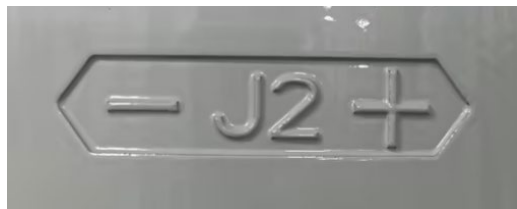

Thank you for your continued support of Mitsubishi Electric industrial robot "MELFA".  
The appearance of RH-10CRH and RH-20CRH will be partially changed.

### 1 Change in J2 axis direction indication

The J2 axis direction indication will be changed from a sticker to an engraving as shown below.  
This change does not affect the functions and performance of the products.

Note) The photo shows RH-10CRH8030-D.
