2 SCHEDULE

- Start of make-to-order production: December 31, 2024
- Order acceptance: Until June 30, 2025
- Production discontinuation: September 30, 2025

We will not accept orders after June 30, 2025, and will stop production when the accepted orders are completed.

3 REASON FOR DISCONTINUATION

Our company will have difficulty maintaining the production system since the production of the components of these products has been discontinued one after another.

4 REPAIR SUPPORT

Repair acceptance: Until September 30, 2032 (for seven years after the discontinuation of production)

(Note that, even during the repair acceptance period, the repair will not be supported if the parts run out of stock.)

5 LIST OF RECOMMENDED ALTERNATIVE MODELS

Precautions on selection

The following table lists the models having the same specifications of the number of I/O points and output type as discontinued models.

Check the specifications in each manual before using these alternative models.

- It may be necessary to change programs or wiring depending on the commands that are used or the special extension device type.
- It may be necessary to change the entire system when an existing extension device is connected to an alternative model.
